

Dear Sir/Madam,

“SWING ALL THE WAY THROUGH”

IMP EVENING WORKSHOP – EPISODE

PART II – MARINE INSURANCE: ON DECEMBER 3, 2015 THURSDAY

The turnout rate for the Part I of Marine Insurance on November 5, 2015 was encouraging, and the feedback from the attendees overwhelmingly positive. The IMP Workshop Organizing Committee derives great satisfaction in seeing how the IMP Workshop Series has contributed to many in the shipping fraternity of the Greater China Region over the past 21 months.

For those who have already registered for the Part II of the “Marine Insurance” Workshop, please take this as a gentle reminder for the 12th and last IMP Workshop in the present series, which will be held on December 3, 2015 at Poly University. We are excited that you will be there again.

For those who did not register timely in November 2015 for the 2-day workshop, this is probably the last chance for ways to acquaint yourself with or enhance your knowledge on marine insurance and therefore may we urge you to enroll yourselves to the afore-said workshop after the reading of this flyer.

Informatively, the Panel of Moderators for the IMP Workshop is made up of:

Raymond TC Wong – Emeritus Chairman of IST and Honorary Advisor of HKLMSA

Prof. Chin-Shan Lu – Director of ICMS

Manson Cheung – Executive Member of both IST and HKLMSA

Cho Hor Wong – Executive Member of HKLMSA

The Panel of Guest-Moderators for the forthcoming workshop on 3rd December will consist of :

Clive Beesley – Director, C Solutions (Hong Kong)

Eric Wu – Associate Director, Steamship Mutual Management (Hong Kong) Limited

Franco Sze – Deputy General Manager, China Taiping Insurance (HK) Co. Limited

Thomas Cheung – CEO, CTX Special Risks Limited

Ping Chi So – Chairman of IST and Convenor of the Hong Kong Maritime Forum (Note : he will deliver a closing speech for the completion of IMP Workshop Programme for which he also delivered the Opening Speech)

Flow of the workshop :

Clive Beesley – A short presentation on “Legal and Claims perspective on casualty matters”

Franco Sze – A short presentation on “Rationale behind the delay on the process of hull claim-approval”

Raymond Wong – A snapshot on “The Value of an average adjuster” + To preside an interactive Case Study involving a tanker colliding with a container carrier, followed by explosion/fire and grounding

The details of this last IMP workshop are as follows :

Time/Dates : 7:00 pm to 9:30 pm
December 3, 2015 (Thursday)

Venue : HK Polytechnic University
Room QR403 (Not AG206)

Language : English (Questions in Cantonese and/or Putonghua are welcome, though)

The IMP Workshop Committee is looking forward to seeing you on December 3, 2015 to witness the close of the final chapter of the IMP Workshop Programme.
