

Maritime Business Review (MABR)

New Articles & Call-for-papers

MABR is a peer-reviewed and open-access journal. It aims to provide the latest research insights and state-of-the-art theory and management practice to maritime researchers and practitioners on all aspects of maritime business. It is included in Emerging Sources Citation Index (ESCI) and Scopus index.

According to the latest statistics from SCImago Journal Rank (SJR), MABR has been ranked in **the top 50% (Q2) of the area "Business and International Management", "Transportation", "Management of Technology and Innovation", and "Strategy and Management"** among other Scopus journals in 2021.

The latest issue is now available online:
